***Payment, financing, and funding**

We are proud to offer various payment, funding, and financing options to our clients.

Payment

Unless otherwise specified, payment is due within 30 days of signing the contract. Payment may be made by cash, cheque. Payment plans are also available to meet most budgets. Financing charges apply to payment plans. Beyond the allotted time, interest will be charged at a rate of 1 1/2% per month which is equivalent to 18% per annum (APR).

If you are prepaying for services or supplies, pre-authorized chequing is also available.

Financing

Our payment plans give you the option of making payments over time. We offer a competitive financing program, administration fees and interest rates. Payment plans will be discussed by our professional staff as to payments per month and interest rates.

Funding

For your convenience, we offer two funding options when prepaying services or supplies. When prepaying, you pay for the services and supplies today and the money will be used to pay for the services and supplies when they are delivered at the time of death.

Trust: You may pay the money directly to us and we will place it in trust, where it will accrue interest until the contract is fulfilled (when the services and supplies are delivered) or the contract is cancelled.

Insurance: You may purchase an insurance contract where the proceeds of the insurance contract will be used to pay for the services or supplies at the time they are delivered or the contract is cancelled.
