The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Basic Services of Staff and Overhead **\$1,990**

Our basic service charge includes: staff available 24 hours a day to respond to initial request for service, arrangement conference with family or responsible party, planning the funeral arrangements, preparation and filing of necessary authorizations and permits, coordination of services with cemetery, crematory, or other third parties as needed. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains).

Embalming **\$950**

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as a direct cremation or immediate burial.

Other Preparation of the Body **\$440**

Includes bathing, surface disinfection, dressing, and casketing of remains.
