Our Story

We have years of experience caring for families, from all walks of life. Each family comes to us because they know we are leaders in our profession, dedicated to excellence in service, and have the highest integrity.

When we sit down with a family, we have just one goal: to create a fitting, memorable and affordable service for their loved one. Together, we explore the wide variety of services and products available, as well as provide a wealth of creative ideas and suggestions.

Together, we'll design a memorial or funeral service that meets the family's needs at the time of loss or when planning ahead. Families who come to us know that years from now, they will have peace-of-mind knowing they've done their best to honor their loved one in an appropriate and fitting way.

James was born next-door to the Old San Buenaventura Mission, but most of his adult years were spent in Oxnard, CA. He studied mortuary science in New York in 1934, and later opened the beautiful James A. Reardon Funeral Home that is still in operation today. He was an active member and P.E.R. of the Oxnard BPOE Elks, Lodge 1443, Oxnard Rotary Club and the Knights of Columbus. Mr. Reardon passed away April 14, 2007. The Reardon Funeral Home is proud to continue his legacy and offer professional service at prices that make

sense. Feel free to drop in or call us with any questions you may have. Our funeral home is open to be a place of peace and comfort to the Ventura County community.

James A. Reardon

James A. Reardon was born next-door to the Old San Buenaventura Mission, but most of his adult years were spent in Oxnard, CA. He was an active member and P.E.R. of the Oxnard BPOE Elks, Lodge 1443, Oxnard Rotary Club and the Knights of Columbus. He studied mortuary science in New York in 1934, and later in 1937, he opened the beautiful James A. Reardon Mortuary that is still in operation today, and ran by the Tipton family and his daughter Cynthia Baumgartner. Though Mr. Reardon passed away April 14, 2007, The Reardon Funeral Home is proud to continue his legacy and offer professional service at prices that make sense. Our funeral home is open to be a place of peace and comfort to the Ventura County community.

David Tipton

David was born and raised in Port Hueneme and is a graduate of both Hueneme High School and Cypress College of Mortuary Science. He was married to his wife of 28 years, Stacey, and was the father of nine children: six boys and three girls. David served the families of Ventura County for almost 40 years in the Funeral Industry. Working in parts of both Southern California and Oregon, David worked as a Funeral Director, Embalmer and was a general manager for numerous locations spanning across Ventura and Oxnard until he saw his dream of owning a funeral home come true in 2010. He was also a member of the Lions Club, Elks club and was a Past President of the Oxnard Rotary Club.

David knew how important it was to offer quality services at affordable prices, and instilled that same philosophy in his children. Sadly, he passed away on September 4, 2012 due to many health issues, but his legacy of great service to others will carry on through his loving wife Stacey and his children

purchase
CAN HELP
change
a life

With the purchase of a Matthews Aurora™ Funeral Solutions casket, a donation is made to the Matthews Children's Foundation.

The Foundation then awards grants to non-profit organizations whose sole purpose is to support and ensure a brighter future for children in every community.

Effective: 12/01/2018 Prices subject to change without notice

Funeral home makes no representation of warranties regarding caskets. The only warranties, expressed or implied, granted in connection with caskets and/or containers sold are the express written warranties, if any, extended by the manufacturers thereof. Funeral home hereby expressly disclaims all warranties expressed or implied, relating to the caskets and/or containers, including, but not limited to, the implied warranties merchantability and fitness for a particular purpose.
