Patty and I established our funeral home in 1983 as the fulfillment of a dream to serve the people of Haralson County and surrounding areas. In 2013 we expanded our services by opening a second location in Temple, Georgia. Over the years we have been honored to serve thousands of families in their darkest hour. Alongside us, our daughter and son-in-law, Kathryn and Chase Croft are both licensed funeral directors, embalmers and certified crematory operators.

It is our honor to help you arrange a fitting tribute to remember your loved one. Whether you choose traditional burial or cremation as the method of final disposition, we can make your service truly personal. You can also be well assured, that whatever you choose, burial or cremation, the casket, urn and/or other memorial items you choose are of the highest quality available in that price range.

We stand ready to assist you in any way possible. You can take comfort in knowing that we have a licensed funeral director available to assist you 24 hours per day.

Danny Hutcheson, CFSP

President

We Care Cremations – With the rise of families seeking cremation, we decided in 2008 to embrace the concept and install our first on-site crematory, the only funeral home in West Georgia with its own crematory. Since that time and word spreading that we were providing cremation for ourselves as well as many other funeral homes, we added a second crematory in 2011. We take great pride in being able to provide first hand care to each family we serve. We provide cremation options at both funeral home locations; however, both of our crematories are located at our Buchanan location.
