“I don't want my children to be burdened with planning and paying for my funeral, so I need to do anything I can to make my death easier for them.”

— Mary, Charleston, SC

Every year more families turn to us for advance funeral planning or to review existing arrangements to ensure they continue to meet their end-of-life needs. There is no better time than now to complete your estate plan with a fully-funded prearranged funeral.

Why prefund?

- Funding today can help offset the effects of inflation
- Eliminate concerns about how your funeral costs will be covered
- Reduce the chance of family conflict over “what you would have wanted”
- It makes one of the most difficult days in your loved ones' lives a little easier

We help people just like you make choices that protect hard-earned financial assets. Plus, at the time of need, your survivors will have the benefit of remembering the times of your life rather than toiling over the details of your death.

Let us help you find the funding option that's right for you and your family. We look forward to helping you complete your advance funeral plans so you can get on with living the rest of your life!

“I wanted to make sure all the pieces were in place.”

— Sara, Charleston, SC
