I/We,	the Authorizing Agent(s), do hereby certify, warrant, and represent that I/we understand:
A.	All cremations are performed individually. Due to the nature of the cremation process, any valuable material will not be recoverable. In the event of such valuable items in which I/we wish to retain, it is my/our responsibility to remove them or have them removed prior to the cremation process. Body prostheses, dental bridgework, or dental fillings within the remains will eithe be destroyed or will not be recoverable. Accordingly, the Authorizing Agent(s) represent and warrant to the Crematory that such materials have been removed from the remains or if not, that they may be removed from the remains and disposed of by the Crematory or may be destroyed by the cremation process.
В.	Following cremation, the cremated remains of the deceased consisting primarily of bone fragments, will be mechanically pulverized to an unidentifiable consistency prior to placement in an urn or other container. Even with the exercise of reasonable care and the use of the Crematory's best efforts, it is not possible to recover all particles of the cremated remains of the Decedent; some particles may inadvertently become commingled with particles of other cremated remains remaining in the cremation chamber and/or other devices utilized to process (pulverize) the cremated remains. I/We hereby authorize the Crematory to dispose of any such residual particles in any lawful manner it deems appropriate.
C.	Unless a suitable container is purchased for the cremated remains of the Decedent, the crematory will place such remains in a container which is designed for short-term use and may not be recommended for any type of shipment. In the event the capacity of the urn or other container is insufficient to accommodate all of the cremated remains of the Decedent, an additional temporary (short-term) container will be used and returned to the person(s) designated above.
D.	Implanted pacemakers or other mechanical devices in the Decedent may create a hazardous condition when placed in a cremation chamber. The Crematory will not, therefore, cremate any human remains which contain any type of implanted mechanical device. In the event the remains of the Decedent do contain such a device, the Authorizing Agent(s) hereby authorize and instruct the funeral home, its agents and employees to contact the appropriate persons and secure the removal of any and all mechanical device from the remains prior to the cremation process.
	I/WE HEREBY CERTIFY THAT TO THE BEST OF MY KNOWLEDGE THE REMAINS OF THE DECEASED DO (

- E. The Crematory reserves the right to accept or reject a cremation container constructed of noncombustible materials. Remains received in a noncombustible cremation container may be removed prior to cremation and placed in a combustible container; and the Crematory reserves the right to make disposition of such noncombustible container at its sole discretion. The Crematory is authorized to remove and discard handles, or any other items attached to the cremation container which may cause damage to the cremation chamber.
- F. I/We agree to identify, release and hold the Crematory, Funeral Home, their affiliates, agents, employees and assigns, harmless from any and all loss, damage, liability or causes of action (including attorney's fees and expenses of litigation) in connection with the cremation and deposition of the cremated remains of the Deceased, as authorized herein, or my/our failure to correctly identify the remains of the deceased, disclose the presence of any, implanted mechanical or radioactive device, or take possession of, or make permanent arrangements for, the disposition of such remains.
- G. Except as set forth in this Authorization, no warranties, expressed or implied, are made by the Funeral Home, Crematory or any of their respective affiliates, agents, or employees.
- H. The Authorizing Agent(s) understand that after the cremation authorization form is executed, the authorizing agent(s) only can revoke the authorization and instruct the crematory licensee of the funeral establishment to cancel the cremation and to release or deliver the human remains to another crematory licensee or funeral establishment by providing such instructions to the crematory licensee in writing prior to the commencement of the cremation. The crematory licensee shall honor these instructions provided that it receives such instructions prior to the commencement of the cremation of the human remains.

By executing this Cremation Authorization Application Form, as Authorizing Agent(s), the undersigned warrant that all representations and statements, except for Section D if that information is unknown to the Authorizing Agent(s), contained on this form are true and correct, that these statements were made to induce the Crematory to cremate the human remains of the Decedent, and that the undersigned have read and understand the provisions contained on this form.
