

Greetings from the Utah Funeral Directors Association!

Enclosed is an application to join or renew your membership with UFDA/NFDA (National Funeral Directors Association). We appreciate your support and hope you enjoy the benefits and value of being a member of both UFDA and NFDA.

Your membership in these quality professional organizations sets you apart with the highest professional code of ethics, the most positive legislative support, the best networking opportunities, and the most extensive continuing education opportunities and information available to our profession.

As members you are entitled to all the benefits UFDA and NFDA have to offer. We hope you take advantage of your membership value.

Please take time to update, correct, and/or complete the enclosed application. We want to make sure that all your listed employees and locations have access to these valuable resources, get important emailed UFDA communication and can participate in NFDA voting. For the NFDA, members can choose to have the mailed Director come to their funeral homes or their home addresses.

The deadline for membership dues per UFDA Bylaws is January 31. Please make sure to take care of your dues by then to avoid the late fee.

Your membership helps UFDA continue to:

- facilitate professional networking and relationships,
- offer progressive learning opportunities, and
- be the voice for positive legislation and public advocacy.

Thank you for your support. We look forward to a bright future working together to strengthen our great profession.

Sincerely,

Jeremy Layton
