We endeavor to provide you with appropriate services and ceremonies to meet your needs in celebrating the life of your loved one. It is important that the arrangements meet your wishes and budget. We are a family-owned business that treats every family we serve with the utmost compassion and respect. In an effort to provide the finest services possible, we are dependent upon the families we serve for making payment in a timely fashion.

We realize that caring for the death of a loved one is often unexpected and unplanned. Please understand that the entire funeral amount is due and payable upon receipt of the final invoice, and before the burial or cremation takes place.

For your convenience, we offer as many simple payment options as possible: Personal Check, Bank Check, Money Order, Cash, Visa, MasterCard, Debit Card

The following are the only acceptable credit arrangements:

*Assignable Life Insurance:* Life insurance may be used as a means of full or partial payment for funeral and other related expenses. (*Must be verified in advance*) We can assist the family with processing the various claims forms.

*Entitled Benefits:* We will process on the family's behalf any death benefits from the Veterans Administration, Town or State Welfare Departments or Nursing Home Accumulated Funds Accounts as payment towards funeral expenses. The balance, however will be due upon receipt of the final invoice.

We regret that we are unable to accept settlement of estates through attorneys or probate court as a means of financial arrangements. The family is responsible for the entire balance according to our payment policy. The family will be eligible for complete reimbursement from the estate.

We also regret that we are unable to accept private or 'in-house' payment plans as a means of financial arrangements. Loans may be available to you through your local bank or credit union.

All unpaid balances after thirty days (30) from the date of death accrue late fee charges of 1.5% per month (18% per year). All late fees are incurred from the date of death.

All unpaid balances after ninety days (90) from the date of death may be submitted to an agency for collection.

If you have any questions, our staff will be available at any time to answer them.

Thank you for entrusting the care of your loved one to us at Jellison Funeral Home.
