Obituaries are Optional

This information will be used on California Funeral Alternatives website. We reserve the right to edit your submission. We do not send this information to a 3rd party. If your Service is public, we must have the information as soon as possible, including service place, address, date and time. This will allow your friends and family know when and where services will take place. The public will also be able to send flowers to the service via North County's local florists.
