#### **WARRANTY DISCLAIMER**

In most areas of the country, no state or local law requires that you purchase a container to surround the casket in the grave. However, many cemeteries ask that you have such a container so that the grave will not sink in. Either a burial vault or grave liner will satisfy these requirements.

Richardson Funeral Home makes no representations or warranties about the protective value of certain outer burial containers other than those made by the manufacturer. The only warranties, expressed or implied, granted in connection with goods sold with this funeral service are the express written warranties, if any extended by the manufacturer thereof. No other warranties of merchandising fitness for a particular product are extended by Richardson Funeral Home.

There may be additional charges for delivery for some cemeteries due to distance. The appropriate charges will be added. Some cemeteries may also have a vault setting fee and/or a vault inspection fee.
