DEATH CERTIFICATE COPIES
Cost is $21 for the first copy and $4 for each additional copy

Please order _______ copies of the Death Certificate.

CREMATION PROCESS

The following must occur before the cremation process can take place under normal circumstances:

1. The DEATH CERTIFICATE must be completed and signed by the certifier (Doctor, Medical Examiner, or Justice of the Peace), which has up to 5 days to return the certificate to the funeral home once delivered.

2. An AUTHORITY TO CREMATE must be issued by the Medical Examiner or Justice of the Peace in the jurisdiction of death.

3. A properly completed, signed DEATH CERTIFICATE must be filed with the local registrar.

4. A BURIAL TRANSIT PERMIT must be obtained from the local registrar.

Once all documents are in the possession of the funeral home, the cremation can be arranged.

The funeral home will make every effort to complete the cremation arrangements as timely as possible. The average time from the date that ALL of the requested documents have been received by the funeral director to the completion of cremation is approximately 5 to 7 business days. However, the funeral home is not responsible for circumstances beyond our ability to control, such as: crematory schedule, doctor’s/certifier’s availability, holidays, weather, etc.

I acknowledge that I have read the above information. I understand that cremation cannot occur until all documents and permits are secured as stipulated by Texas law.

MERCHANDISE
We offer many different styles and prices of caskets and alternative containers from which to select. Since many caskets that appear similar in appearance may differ greatly in quality and construction, we offer the following in order to assist you in making an informed decision. A complete list of caskets offered by this firm will be provided upon request.

“Gasketed” – These caskets are designed by the manufacturer to resist the entrance of air, water and other outside elements. They may be constructed of varying gauges of steel, copper and bronze.

“Non-Gasketed” – These caskets are not designed by the manufacturer to resist the entrances of air, water and other outside elements. They may be constructed of metal, hardwood or wood products with fabric.

CASKETS

Casket Selection Ranges From $5,200.00 to $995.00
A complete price list will be provided at the Funeral Home

Standard width caskets may not accommodate the weight of some human remains. Additional charges will apply should an oversize casket be required for the human remains.

OUTER BURIAL CONTAINERS

Outer Burial Container Selection Ranges From $3890.00 to $795.00
A complete price list will be provided at the Funeral Home

Disclaimer of Warranty: The only warranty on the casket or any other merchandise sold in connection with this service is the express written warranty, if any, granted by the manufacturer. This funeral home makes no warranty, expressed or implied, including an implied warranty of merchantability and an implied warranty of fitness for a particular purpose, with respect to the casket and/or outer burial container.

GENERAL POLICIES

Disinterments – Our minimum professional fee is $895.00. This includes the necessary family conferences, coordinating with the cemeteries, grave service companies, arranging for transportation and obtaining the necessary permits and authorizations. All grave service charges and transportation will be handled as a cash advance (you will be charged only what we are charged). We reserve the right to make additional charges for the professional services which require more of our time.

Unembalmed Remains – Texas statutes provide that all decedents not disposed of within 24 hours after death must be embalmed or refrigerated. If you do not want embalming, we can arrange for refrigeration. You may have the funeral service with an unembalmed body present, but under no circumstances will we allow public viewing of an unembalmed body. Viewing of unembalmed remains is restricted to immediate family only (maximum of 10 people). If an autopsy has been conducted, Post Autopsy Care is required for viewing. Viewing of unembalmed remains may not be possible in certain circumstances.
