INTRODUCTION

The following list of goods and services are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Prior to drafting any contract for goods and services, the responsible party or the decedents survivor who is handling the funeral arrangements is entitled to receive a copy of any pre-arranged funeral agreements in the possession of the funeral establishment that have been signed and paid for, in full or in part, by or on behalf of the decedent. PAYMENT TERMS & OPTIONS

Payment in full is expected after arrangements are completed. At the end of the arrangement conference, you will be presented with a contract itemizing the goods and services that you requested. For your convenience the following payment methods are accepted.

Cash or Verified Check Payments

Credit Card Payment – We accept most major credit cards. If you choose to pay with a credit card, a charge of 2.% will be added to the total balance being charged.

Life Insurance Policies – If you choose to use a life insurance policy, there is a processing fee of 3.5% of the total contract amount involved for this, and will be added to the total charges on your statement of funeral goods and services. We do not accept employment or group insurance policies. Insurance policies under 2 years old are usually contestable and therefore can't be used as form of payment. Do not hesitate to call our funeral directors with any questions.

Prearranged Funeral Plans - We accept prearranged (Prepaid Funeral Plans purchased before death) that were written through our funeral home. On a case by case basis, we will also honor prearranged funeral plans that were written at another funeral home. If you would like to use a

prearranged funeral plan as a form of payment that was written at another funeral home, please contact the funeral counselor.

ITEMIZED PROFESSIONAL SERVICE FEES

BASIC PROFESSIONAL SERVICES OF*\$1,695
 Funeral Director & Staff. This is the basic charge to each family we serve for our professional expertise in assisting them. It includes, but is not limited to, a proportionate share of taxes, licenses, utilities and business expenses necessary to serve the public in a professional manner. Also included in this charge is the consultation with the family, clerical and administrative services, preparation and filing of necessary permits, consultation with the clergy, cemetery, crematory, or common carrier, assistance with insurance papers, planning the funeral or memorial service, and placement of obituary notices. There will be an additional charge for the direction and supervision of each service requested or required. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select, (A proportionate Basic Professional Service fee is already included in our charges for direct cremation, immediate burial and forwarding or receiving remains).

EMBALMING.....*\$595

Embalming is a chemical process, which provides temporary preservation of the body and is intended to eliminate public health hazards. The embalming procedure must be performed by a person licensed by this state of California with a valid California State Embalmers License, or an apprentice embalmer duly licensed by the State of California

Except in certain cases designated by Statute, embalming is not generally required by law. Embalming may be necessary however; if you request viewing the deceased remains. If the type of disposition you request does not require embalming there will be no embalming charge.
