## **Death Away From Home**

### **AN EXTRA MEASURE OF PROTECTION.**

More and more individuals are traveling these days for business, vacations, family visits and even health care in distant cities. Traveling has become second nature to most of us and we tend to forget that when traveling... anything can happen.

It's difficult for a family to deal with the emotional and financial stress that the death of a loved one brings, but when the death occurs away from home, the loss is complicated by the need to bring the loved one back home. Even those who have taken the wise step of prearranging funeral, burial and cremation expenses may not realize insurance and prearrangement plans don't cover this expense. To give your family an extra measure of protection, consider the Treasured Memories ® Travel Protection.

When a death occurs 100 miles or more away from their legal residence (Legal residence is where the beneficiary lives 180 days or more per year), individuals enrolled in the Treasured Memories ® Travel Protection are covered for all services necessary to return them to their home. Broecker Funeral Home and our experienced representatives will handle all the details, including:

- Contacting a licensed sending funeral home or mortuary,**
- Transporting the body from site of death to the licensed sending funeral home or mortuary,**
- Preparation of remains for transportation,**
- Transportation of remains to the funeral home designated by Beneficiary's representative, by air or other appropriate transportation,**
- Minimally necessary casket, air tray or urn for transport,**
- Consular services (for death overseas),**
- And procurement of death certificates.**

**THE TREASURED MEMORIES ® TRAVEL PROTECTION PUTS THE PIECES BACK TOGETHER.**

One fee provides lifetime benefits with the Treasured Memories ® Travel Protection. One call guarantees your loved one will be returned if death occurs away from home, for no additional expense.

Any age person is accepted. The plan covers the complete cost of arranging and paying for transportation services, saving your family thousands of dollars. Assistance is provided 24 hours per day, 365 days per year.
