Every member of the Ryan Mortuary staff believes in the healing value of a meaningful experience. We feel that every family should have the opportunity to create a ceremony or occasion that fulfills their own unique needs.

We understand that a fair price is an important consideration when you judge value. That value should also include the quality of service provided at a time when it matters the most. Our quality is enabled by having one of the most experienced and fully trained and licensed mortuary staffs in Kansas.

We are sensitive to the fact that the cost of our services may be beyond the resources of some families. We take pride in serving all who call our firm, including those with financial difficulties. If this should be addressed, please speak freely with your funeral director. We consider it a privilege to serve you.
