

Honoring those who will never be forgotten.

WHAT IS VETERANS FUNERAL CARE™?

Veterans Funeral Care was established in 2000, and currently includes over 150 providers across America. The network's mission is to inform Veterans of benefits available and provide their families unsurpassed funeral services at a reduced cost.

CT Life Tributes/Bailey Family Funeral Homes is an exclusive provider for Veterans Funeral Care. Through this partnership, our funeral home will offer a wide range of service plans and veteran-specific merchandise, at significant savings over other area funeral providers. Our staff is trained and licensed to assist with every detail of making funeral and cremation arrangements for Veterans. We assist families with all the Veterans' benefits available, social security benefits, and arrange military honors.

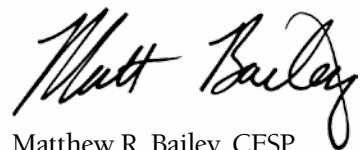

Our firm promotes the use of National Cemeteries. Remember, it is an honor to be buried in a National Cemetery! All honorably discharged Veterans, their spouses and dependent children are entitled to free grave space, cemetery marker and burial vaults at any National Cemetery. They are all owned by the American people for the exclusive use of Veterans. This benefit saves your family thousands of dollars.

One of the most caring things you can do for your family is to plan in advance. Whether you choose to preplan with your family, pre-arrange or pre-pay, make a decision that feels right. Gain the peace of mind that comes with knowing that your needs and wishes have been made known and the details are taken care of. If you wish, you may pre-pay your arrangements and freeze the costs.

If you have any additional questions please call us at (888) 9CT-VETS, view our website at CTveterans.com or make an appointment to visit our funeral home.

We at Veterans Funeral Care are focused on providing caring, compassionate service and support to our Veteran families. As a Veteran, you deserve the very best.

Sincerely,

Matthew R. Bailey, CFSP
