

SELECTING A FUNERAL HOME

This decision should be made the same way you would as when selecting any professional to handle something important for you. Choose a funeral home that has good reputation in the community and one that is a member of the National Funeral Directors Association (NFDA). If you are unfamiliar with the funeral homes in your area, ask a relative, friend, hospice, clergy person or doctor for a recommendation, or call the NFDA at 800-228-6332 for a listing of member funeral directors in your community.

Consider meeting our funeral directors in advance to determine with whom you are comfortable and to learn about the range of services offered at a cost that meets your needs.

If you would like to obtain any further information from us or have questions or comments regarding your funeral service needs, please take time to print out the form we have provided below and either **fax to: 973-746-1337** or **mail to:**
