***You've planned for almost everything...***

When it comes to planning for the inevitable, we tend to procrastinate because no one likes to talk about death, especially their own. It all seems so overwhelming.

- ◆ *What are the BENEFITS of pre-planning my own funeral?*
- ◆ *Can I preplan for BURIAL or CREMATION?*
- ◆ *How much it will COST to take care of my final arrangements?*
- ◆ *What are my OPTIONS for paying so my family isn't burdened with this expense?*
- ◆ *What if I MOVE or die while TRAVELING?*

***You have questions - lots of questions!  
We have answers that can help you decide  
what options are best for your family.***
