Once again, please let us know if you have any questions or concerns. Our phone lines are answered 24/7, each day of the year. Our family-owned and operated business will treat you like family which means we will work with your time, your values, and your desires to give you the service you want.

We are honored that you are entrusting us with such an important time in your life as well as the life of your loved one. Rest assured that you, your family, and your loved one are in great hands.

With Warmth and Kindness,

DeWayne & Stephanie Hughes
(Owners & Managers of Hughes Family Tribute Center)

WHY A LIFE CELEBRATION?

A special nickname, a unique hobby, an irreplaceable smile, a favorite food, an amazing passion, a rare talent...

When you think of your loved one, you remember those unique qualities that made them the special person that changed your life and life of your family. Every life lesson, every laugh, every story and memory—deserves to be celebrated in its own special way.

At Hughes Family Tribute Center, our mission is to create personal and meaningful experiences that honor the unique life of your loved one while promoting healing for the family members and friends who are grieving the loss of this cherished special person.

During the arrangement meeting, feel free to tell us stories and memories about your loved one. We will use those memories, characteristics, likes, loves, passions, hobbies, and even dislikes to create an immersive experience that tells the story of your loved one.

Find out why most of our families choose to celebrate their loved one through Life Celebrations.

A Life Celebration—not because they died, but because they lived.

OUTER BURIAL CONTAINER PRICE LIST

In many areas of the country, state or local law does not require that you purchase a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink. Either a liner or a burial vault will satisfy these requirements.

Disclaimer of Warranties: HUGHES FAMILY TRIBUTE CENTER makes no representation or warranties regarding outer burial containers. The only warranties, expressed or implied, granted in connection with outer burial containers sold are the express written warranties, if any, extended by the manufactures thereof. HUGHES FAMILY TRIBUTE CENTER hereby expressly disclaims all warranties expressed or implied, relating to the outer burial containers, including, but not limited to, the implied warranties merchantability and fitness for a particular purpose.
