Child/Grandchild Protection Certificate

by Damon Melcho

DID YOU KNOW?

Did you know that we provide "CHILD AND GRANDCHILD" protection to all families who have made a specific purchase with us since January of 2004?

Here's how this BENEFIT works!

In order to give full family protection we agree to the following: In case of the death of one or more minor children or grandchildren (over thirty (30) days and under twenty-One (21) years of age, unmarried) whose name appears on the certificate or who was born within sixty (60) months after the date of your contract, we agree to the following provisions:

That a single mausoleum crypt, lawn crypt, grave, memorial, casket and/or vault (this would reflect what you own for yourself) for the deceased child/grandchild will be provided at NO CHARGE, provided that the entombment/internment is made in said Cemetery.

· This protection described above will not remain in full force and effect if the purchaser, defaults on the terms of his/her purchase or is delinquent over thirty (30) days on any payment due on an installment purchase.

Should you have any questions regarding your cemetery arrangements with us, please feel free to come in, call or send us an e-mail. All the information you need to contact us is located at "facilities" section of this web page.
