

## **February 2008**

### **Spring Clean-up, Feb. 1st, 2008**

*by Damon Melcho*

Please note that all winter decorations must be removed no later than Feb. 1st so that we may begin "Spring Clean-up". Should you have any questions regarding our intention to prepare the cemetery for the mowing season, please feel free to contact the office. You may also request a copy of our "Flower Rules and Regulations" that should answer any future questions pertaining to the cemetery. Thanks for helping make Floral Hills Memorial Gardens the pride of Northern Kentucky.
