

March 2008

Spring Clean-up, March 1st, 2008

by Damon Melcho

Please note that all winter decorations must be removed no later than March 1st so that we may begin "Spring Clean-up". Should you have any questions regarding our intention to prepare the cemetery for the mowing season, please feel free to contact the office. You may also request a copy of our "Flower Rules and Regulations" that should answer any future questions pertaining to the cemetery. Thanks for helping make our cemetery the pride of Kentucky.
