How Our Funeral Home Is Responding To COVID-19

As always, we are deeply committed to the health and safety of our community, guests and staff.

We will continue to practice and conduct enhanced cleaning procedures.

We are still here for you and your loved ones 24 hours a day, 7 days a week.

We can continue to make arrangements in person, over the phone, via Skype or Facebook to meet the needs of your family.

We are subject to the statewide ban of public gatherings of 10 or more people. We will do everything we can to continue to assist you and your families while following this rule.

We recommend services limited to 10 people at this time. We will assist adjusting or postponing visitations. We are here to help you plan a memorial service in the future.

Services can be live streamed via Facebook or Skype. They can also be recorded and added into your loved ones obituary for all to share.

No food or receptions at this time.

At Thelen Funeral Services, we encourage you to take care of yourselves, your family and friends, and your neighbors. We are still here for you. These above guidelines are subject to change. Please feel free to contact us for more information.
