Outer Burial Container Price List

Outer Burial Container – An outer burial container is essential in protecting the casket or urn from the weight of the earth and heavy equipment, as well as the entrance of outside elements. Because of the protection they provide, outer burial containers are a cemetery requirement for all in-ground burials. Containers can be pre-purchased and locked in at today’s price.

Sealed containers are completely sealed, reinforced, and warranted to resist the entrance of outside elements. Included with the purchase of a sealed container are several color options, a name plate with an emblem, as well as the option to witness a partial lowering. Unsealed containers are less protective regarding outside elements and do not include a partial lowering.

Ossuary & Travel Plan Price List

The Ossuary – Although some families prefer to scatter the ashes of a loved one, many later regret not having a defined place of rest. The Ossuary was designed with those in mind who desire a permanent, and affordable final resting place for their loved one’s cremated remains.

When placing the cremated remains of a loved one in the Ossuary, the remains are deposited into 1 of 3 large concrete vaults located beneath the ossuary garden. There they will rest permanently while allowing family and friends to honor them for generations to come.

Placement of cremated remains and memorialization in the Ossuary is available to all families and faiths.

Placement of Cremated Remains	\$ 195
Endowment Care Fee	\$ 25
*Committal Service (Optional)	\$ 500
