

Comfort Foods

Many friends wish to send comfort food to the family of the deceased instead of the traditional flowers or memorial contributions to a charity. We are proud to offer comfort foods that may be purchased for those families. Just call us at 740-452-4551 and we will be happy to make arrangements for the comfort food to be delivered to the family, either before, during or after the funeral. We accept checks, cash, Visa, MasterCard and Discover at the time of purchase. Price shown DOES NOT include sales tax.
