GENERAL PRICE LIST

The goods and services shown in this price list are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you select. Please note that there may be charges for items such as cemetery fees, crematory services, flowers, newspaper notices, clergy gratuities and police escorts. (Article 458B & (S).1.) If you select a funeral that may require embalming that you did not approve of or if you select arrangements such as a direct cremation or immediate burial. If we charge for embalming, we will explain in writing the reason for the additional charges.

For your convenience in covering funeral expenses at the time arrangements are being made, we accept the following methods of payment: • Prearranged funeral plan (unpaid balance due at time of arrangements) • Cash • Check • Major Credit or Debit Card (a 2.5% fee may apply) • Assignable insurance (insurance policy must have been in effect at least two years at the time of death and assignable. Some group policies through an employer may not be assignable.)

It is our desire that a family selects a funeral service within their means. Therefore, we do not extend credit, which may create financial hardship by overspending. One of the above payment arrangements must be made prior to our placing the remains in the casket.

In the event that you may wish to question or make a comment on any area of service, you may contact the funeral establishment at your convenience. If complaints cannot be resolved to the satisfaction of the contract holder, they may contact the Texas Funeral Service Commission (PO Box 12217, Capitol Station, Austin, Texas 78711 or 1-888-6674881 or www.tfsc.state.tx.us
