GENERAL RULES

1. Driving any motor car, vehicle across or upon any grave, lot or lawn or parking or leaving the same thereon.
2. Parking or leaving and motor car or vehicle on any road or driveway within the cemetery at such location or in such position as to prevent any other cars or vehicles from passing same.
3. Children are not permitted within the cemetery, unless accompanied by an adult to take care of them.
4. No trees, bushes, shrubbery, flowers or other ornamental beds of planting shall be permitted by the City. Either one receptacle of cut flowers, a potted plant or a square urn (placed not more than one foot for the base of the marker) of a size not exceeding fourteen inches in width, length and height will be allowed. Said ornamentation and container to be placed at the owner’s responsibility.
5. It is of the utmost importance that there should be strict observance of the proprieties in the cemetery. Hence, no person within the cemetery shall:
   • Use any profane, vulgar or indecent language
   • Conduct themselves in an obscene or disorderly manner
   • Place Signs, notices or advertisements of any kind within cemetery
   • Bring firearms into the cemetery except by a military escort accompanying a veteran’s funeral or attending a memorial service
6. The hours of the cemetery will be from dawn to dusk, daily
7. Purchases of lots shall acquire only the privilege or right to make interments in the lot so purchased.
8. No lot shall be used for any other purpose than for the burial of the human dead.
9. Ashes from Cremains must be buried in the ground and may not be scattered over any grave site.

CARE OF LOTS

10. The general care of the cemetery includes the cutting of the grass at reasonable intervals, the raking and cleaning of the grounds and the pruning of shrubs and trees that may be placed.
11. The general care shall in no case mean the replacement of any memorial placed upon lots.
12. No person shall be allowed to remove the soil from the graves or from any portion of lots and persons who make changes upon their lots after having been graded, thereby disarranging the previous improvements, shall be charged the cost of putting the lots in the same order as before.
13. No lot or grave shall be defined by any fence, railing, coping, trees, shrubs, embankments, depression of any other marks to define its boundaries.
14. No lot or grave shall be covered in whole or in part by sand, gravel, broken stones, cinders or other substance which may prevent the free growth of grass.
already be in place.  
23. One week after burial or at the discretion of the Sexton, all flowers will be removed from the grave and as soon as possible thereafter the earth will be settled to the regulation grade.

MONUMENTS, HEADSTONES AND MARKERS

24. Foundations for all upright monuments shall be six inches (6") wider and longer than the base dimension of the monument. This is to facilitate monument alignment and aesthetics following grass trimming. Unless existing conditions dictate a lesser depth, the foundation for upright monuments will be two feet (2') deep.
25. Foundations for all flush markers shall have the same length and width dimensions as the flush marker. Unless existing conditions dictate a lesser depth, the foundation for flush markers will be eighteen inches (18") deep.

ORIGINAL SECTION/ HALL’S SECTION/ SECTIONS 3 & 4

26. Owners of lots shall have the right to erect proper stones or monuments thereon, but all such stones and monuments shall be free from defects as regards their quality of endurance, and no veneered monuments shall be erected and no tablets of wood or iron shall be placed on any lot, but all monuments, headstones or markers shall be made of granite, marble or other durable stone. No combination of monument and headstones shall be erected on any lot containing less than 200 square feet of surface and no monument shall be erected over a grave. Single or duplex markers may be erected on lots of less than 200 square feet of surface but no monument or marker shall be erected without the approval of the Sexton as to design, size and location or said monument or headstone.
27. All work in connection with the erection or setting of monuments, headstones or markers shall be done under the direct supervision of the Sexton and no work which is not in accordance with these rules will be allowed.

ALL SECTIONS

28. On those single lots of Section 7A in the area designated as “Babyland”, the marker shall be the flush type and shall not exceed 12 inches in length and 10 inches in width.
29. On single burial lots, one monument of the upright, headstone type may be put in place. Said monument shall not exceed 2 feet in length, 6 inches in width (but not less than 4 inches in width), and 3 feet in height, with a base not to exceed 16 inches in width and 32 inches in length.
30. On those lots consisting of two burial spaces, only one monument of the upright type may be put in place. All other monuments, markers or mementos on said specifications pertaining to double burial lots.
31. On those lots containing three or more burial spaces, only one monument of the upright type may be put in place. All other monuments, markers or mementos on said specifications pertaining to double burial lots.

• a. The total height of said upright monument shall not exceed forty-two inches (42") above the surrounding grade.
• b. On all burial lots, a flush type marker may be used in lieu of an upright monument. The size of the flush type markers shall be according to the following:
  • a. Single Lots: 1 marker per grave not to exceed 24 inches in length and 12 inches in width.
  • b. Double Lots: 1 marker per grave not to exceed 24 inches in length and 12 inches in width. 1 marker not exceed 48 inches in length and 12 inches in width.
  • c. Quadruple Lots: 1 marker per grave not to exceed 24 inches in length and 12 inches in width or, 1 marker for every two graves not to exceed 48 inches in length and 12 inches in width.
  • d. Sextuple Lots: 1 marker per grave not to exceed 24 inches in length and 12 inches in width or, 1 marker for every two graves not to exceed 48 inches in length and 12 inches in width or 1 marker for every 3 graves not to exceed 72 inches in length and 12 inches in width.
32. All inscriptions on flush type markers shall face the path or roadway as designated by the Sexton of the Cemetery and shall be placed on a line parallel to the path or roadway.
