His Journey

FOREVER IN OUR HEARTS

Harrell Don Scott, affectionately known as “Scott”, was born August 9, 1949, to the late Ollie Scott Sr. and Elnora Johnson Scott, in Soperton Ga. Harrell received his early education at Bethune Elementary and Dorsey Junior High. Harrell graduated from the legendary Miami Northwestern Bulls, Class of 1967. Harrell went on to Miami Dade College, where he completed his studies and earned an associate degree in aviation. At George T. Baker Aviation Technical College, Harrell earned his FCC License as part of his ongoing pursuit of aviation education.

Harrell had a passion to serve his country and enrolled himself in the United State Navy. His experience in the Navy played a very important role in his life. It introduced him to his passion for aviation, carpentry, and being the best mechanic in South Florida. In the early 1970’s, Pan Am Airlines employed Harrell as an aviation mechanical technician. After Pan Am went out of business in 1991, he continued in his career. He was able to make the shift to Delta Airlines due to his high level of abilities, knowledge, and practical expertise. Harrell was united in holy matrimony to the late and loved Luella D. Scott, on June 1st 1974. To this union, 3 children were born, Jeniene, JaNette, and ChaNelle.

Later in life Harrell was united in holy matrimony to Patricia Loretta Newton , on July 19, 2008.

As a father, husband, brother and grandfather, Harell was the utmost phenomenal provider, guardian, and leader. He protected his family with every bone in his body. He praised and bragged about every accomplishment his family made in life. He was honored to be that encouraging person the family needed to make the best life decisions. Scott created a brotherhood and friendship within the neighborhood and community that can’t be denied. Whenever you wanted to pick his brain mechanically or just needed someone to talk to, you could always find him outside working in the garage on something. He was always there to lend an ear and helping hand, and to give you his views as he felt you needed them. And know for sure, before you left his presence, he will have you just smiling and laughing with his raw, straight to the point jokes, entertaining comments.

Scott will always be the Jack of ALL trades master of many. He used just his hands to construct his ideal house from the ground up. In the entire City of Miami Gardens and surrounding areas, he was the go-to person. He worked on a staggering number of neighborhood properties, adding home additions, flooring, electrical upgrades, plumbing repairs, and other types of building to any sort of structure. The number of auto repairs, engine rebuilds, insulation, roofing, and the list goes on, cannot be ignored. Scott created a brotherhood and friendship within the neighborhood and community that can’t be denied. Whether you wanted to pick his brain mechanically or just needed someone to talk to, you could always find him outside working in his garage working on something. He was always there to lean an ear and to give you his perspectives as he felt you needed them. And know for sure before you leave, he will have you smiling and laughing with his jokes and entertaining comments.

Harrell was truly a man of integrity. He was honest and trustworthy and meant what he said and said what he meant, literally.

On May 8, 2023, God called Harrell from labor to rest, with him on high. Harrell was always willing to give a helping hand to all in need. He was greatly loved and will be truly missed by his family and friends. Harrell leaves to cherish his precious memory to: his wife Patricia Scott; three daughters Jeniene, JaNette and ChaNelle Scott (Alan); Stepdaughters; Chrison Newton, Wieland Moore, Phyllis Moore, Vinita Moore, Granddaughter Calysse Dawkins; Brothers Richard Scott (Marion), Ollie Scott Jr.; sister Evie
