HIS JOURNEY

A LIFE WELL LIVED

"To everything there is a season, and a time to every purpose under the heaven..." Ecclesiastes 3:1

A TIME TO BE BORN....I was born Savion Antwan Littles to the world's greatest parents: LaToya Taylor and Willie Littles, Jr., on July 22, 2006. I was a cherished son, brother, grandson, nephew, cousin, friend, Classmate and Teammate. I knew I was loved by my family and those closest to me. Some very special relatives would precede me in passing: my Grandfather, British Taylor; Grandmother, Ruby Harris; Great Grandmothers, Gloria Baker & Ellastine Burks; Great Uncle, William Edward Alexander, III.; Great Aunt, Jacqueline Burks and Cousin, Fabian Burks.

A TIME TO BE EDUCATED...Like most of you reading this, I was educated in Miami-Dade and Broward County Schools. For grade school, I attended Carol City, Charles D. Wyche, and Westview Elementary Schools; and for Middle school, I attended Renaissance Middle School. When I had to suddenly leave my classmates and teammates, I was enrolled at American Senior High, but I spent three (3) wonderful years at Miramar High School. Both schools helped me to be the brave young scholar athlete I was. My teachers, coaches and Administrators were the best a kid like me could have had, and I am eternally grateful for all they poured into me.

A TIME TO BE PRODUCTIVE...Although I was only with you for 16 years, I did my best to make good use of my time. I was busy loving my parents, spending time with my siblings and family, playing football and video games, and just enjoying being a teenager. Football was my passion, I started out in Little League Football for various Optimists Clubs: Scott Lake Park, Davie Broncos, and Carol City Ravens, before starting in High School (Miramar & American). My positions were Outside Line Backer and Safety. Let it be known, I was the best to ever do it!

A TIME TO LIVE, LOVE AND LAUGH...You must know that my love and commitment towards my mother was expressed every day. I was always willing to help her in any way possible. I tried to be the best Big Brother to "M.J." and my other siblings. All of my cousins and I were raised as siblings and they will always cherish our time together. My family would laugh and call me a lil' old man or an old soul, saying that I was wise beyond my years because I saw things differently. I will miss spending time traveling with my them, celebrating special occasions and just being myself with those that I loved the most.

A TIME TO LEAVE MY LEGACY...Please do not allow the last thing to be the last thing you remember about me. Absolutely no one can take away all the special times embedded in your memory and/or pictures that you will treasure forever. Good night for now, and remember I will always love you: "Ma" (LaToya Taylor), "Dad" (Willie Littles), Jr.; my younger brother: "M.J." (Marques Chaney) and younger sister: Journee Littles; my Bonus Siblings: Marque, Alfred Gay, Ajanay Gay and Mauri Gay; my "Nana" (Tonya Burk), my "Mema" & "Popa Herb" (Angela Chaney & Herbert Roundtree) and "GrandMa" (Beth Gray); my Great grandmother (Annie Lee Harris) and Great grandfather (Robert Harris); my Aunties: Careysha Cheever, Selena Harris, Marissa Littles and Willineisha Littles; my Special Uncle: Darius Cheever. To my many cousins, Bonus Aunts & Uncles, extended family and friends, my love is the same for you, so please keep me close in thought.

MY LIFE JOURNEY

REFLECTIONS FROM SAVION

AKA

“SAY” OR “FAT BOY”

Thank You God for bestowing 16 years upon me to share with my family and friends...

As I reflect, my journey has been one of love, friendship, guidance, and compassion...

Although my family and friends on earth are in pain over the devastation and missing me dearly; Lord, you have summoned me to a better resting place I will now call “home”.

I ask that You please help my loved ones when they cry for me. Carry them forward because life must go on... may they remember we shared the best of times.

Lastly Heavenly Father, I ask that you also help my friends and teammates pursue their goals. I pray that they live their lives to the fullest and to keep you FIRST in all they do.

TO OUR WONDERFUL SON

Of all the special gifts in life
However great or small
To have you as our Son
Was the greatest gift of all.

A special time
A special face
A special Son
We can't replace,

With an aching heart
We whisper low
We miss you son
And love you so.

“Ma” & “Dad”

(Latoya Taylor & Willie Littles, Jr.)

TO MY BROTHER

You were my best friend, more like brother and you always made me smile. you took me iout of my shell. We did everything together. From the time we were babies, I knew right then we had a bond nobody could break. You were filled with so much laughter.

I'm so thankful God brought us together. I cherished every moment. You were mty best friend. I truly love you even though you are in heaven, our bond will never break.

I got it from here now, brother. Take your rest.

Love always, your brother, Eljay
