God's Garden

*God looked around his garden
And found an empty place,
He then looked down upon the earth
And saw your tired face.*

*He knew that you were suffering
He knew you were in pain.
He knew that you would never
Get well on earth again.*

*He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.*

*He saw the road was getting rough
And the hills were hard to climb.
So he closed your weary eyelids
And whispered, 'Peace be thine'.*

*It broke our hearts to lose you
But you didn't go alone,
For part of us went with you
The day God called you home.*
