

## LET ME GO

When I come to the end of the road  
And the sun has set for me  
I want no rites in a gloom filled room  
Why cry for a soul set free?  
Miss me a little, but not for long  
And not with your head bowed low  
Remember the love that once we shared  
Miss me but let me go.  
For this is a journey we all must take  
And each must go alone.  
It's all part of the master plan  
A step on the road to home.  
When you are lonely and sick at heart  
Go to the friends we know.  
Laugh at all the things we used to do  
Miss me but let me go.

## THE STORY OF A LIFE WELL LIVED

Eddie Gean Slaton was the seventh child born to Johnnie and Rosa Mae Slaton in Miami, Florida. He matriculated through the Miami-Dade County Public School System and graduated from Miami Northwestern Senior High Community School.

Upon graduation, Eddie entered the United States Army where he earned numerous awards. He was a veteran of "Operation Desert Storm" and "Operation Just Cause." His courage and leadership qualities afforded him the opportunity to achieve the rank of Sgt. before being honorably discharged.

As a Satellite Communication Systems Operator in the army, Eddie understood the value of teamwork and perseverance. Once Eddie left the military, he implemented these life lessons on every job as an electrician. Eddie enjoyed working with his hands and helping others.
