

### *Miss Me But Let Me Go*

*When I come to the end of the road  
And the sun has set for me,  
I want no rites in a gloom-filled room;  
Why cry for a soul set free.  
Miss me a little but not too long,  
And not with your head bowed low.  
Remember the love that we once shared.  
Miss Me But Let Me Go.  
For this is a journey that we all must take,  
And each must go along.  
It's all a part of the Master's plan,  
A step on the road to home.  
When you are lonely and sick at heart,  
Go to the friends we know,  
And bury your sorrow in doing good deeds.  
Miss Me But Let Me Go*

When Tomorrow Starts Without Me

By David Romano

When tomorrow starts without me and I'm not here to see  
If the sun should rise and find your eyes all filled with tears for me,  
I wish so much you wouldn't cry the way you did today  
While thinking of the many things we didn't do or say.  
I know how much you loved me, as much as I loved you.  
And each time that you think of me I know you'll miss me, too.  
But when tomorrow starts without me, please try to understand  
That an Angel came, called my name, and took me by the hand.  
And said my place was ready in heaven far above  
That I'd have to leave behind all those I dearly love.  
But as I turned to walk away, a tear fell from my eyes,  
I had so much to do, it seemed impossible to say 'good-bye'.  
I thought of all the yesterdays, the good ones and the bad.  
I thought of all the love we shared and all the fun we had.  
If I could relive yesterday, I thought for just a while,  
I'd say good-bye and kiss you and maybe see your smile.  
But when I fully realized that this could never be,  
For emptiness and memories would take the place of me.  
So when tomorrow starts without me, don't think we're far apart.  
For every time you think of me, I'm right here in your heart.
