# Grandma

*It's been four days since you left. Four LONG, HARD, days without a facetime, a phone call, or hearing our "I love you's" at the end of each conversation. I miss you immensely, so tremendously much Grandma. No conversation with you could've ever prepared me for the level of hurt and emptiness that I am feeling. I am LOST. So lost without you. My heart wasn't read for you to leave but I know your work was done. You touched so many lives in so many different ways. You were far too beautiful for earth my sweet girl. You worked hard for those wings you earned. The last "I love you" that we said will forever stay etched in my heart. It has been a pleasure and complete honor to call you Grandma. I love you more than you'll ever know, I'll kiss and hug your babies for you. Hold on to my angel baby tight for me. Sleep beautifully my girl.*

*Love You Forever
