He was preceded in death by his parents and two sisters.

When I am gone, release me, let me go.

I have so many things to see and do,
You mustn't tie yourself to me with too many tears,

But be thankful we had so many good years.

I gave you my love, and you can only guess

How much you've given me in happiness.

I thank you for the love that you have shown,

But now it is time I traveled on alone.

So grieve for me a while, if grieve you must

Then let your grief be comforted by trust

That it is only for a while that we must part,

So treasure the memories within your heart.

I won't be far away for life goes on.

And if you need me, call and I will come.

Though you can't see or touch me, I will be near

And if you listen with your heart, you'll hear

All my love around you soft and clear

And then, when you come this way alone,

I'll greet you with a smile and a "Welcome Home".
