To A Loving Sister

Although our worlds are different now
Of is that just how it seems
For I see you when I close my eyes
Because you're always in my dreams

I know you're up in Heaven
And looking down on me
And when I look up at the stars
I know that's where you'll be

Even though I miss you
You're not too far away
Because my heart is full of memories
And I treasure them everyday

Our time on Earth was special
But its only the very start
So please keep watching over me
While were note so far apart

Someday the time will come
When I no longer feel this pain
That is the day that heaven calls
And when we will meet again

IN OUR HEARTS FOREVER

KARA LEE (JERRY) HEALY
