To A Loving Sister In Heaven

**Our time together was special
So were the memories we made
And although you live in Heaven now
Those memories never fade**

**I bow my head in silence
And remember my sister with love
And I know that you are up there
Watching from above**

**Everyday's a struggle
And nothing feels the same
And my heart breaks a little more
Everytime I hear your name**

**You'll always be remembered
And time may heal my heart
But a piece of me is missing
Since the day we had to part**

**If Heaven is for Angels
Then I know that's where you'll be
And I know you will be waiting
When Heaven calls for me**
