# Life Reflections

CATRINA HUNT was born on April 30, 1969 to Clara Retha Hunt and James Weathers. Upon the sudden death of her dear mother Clara, Catrina came to live with Jean and James Weathers. Catrina was only 5 years old, it was nothing but joy raising Catrina and entering her into kindergarten...She was always a sweet loving child and we loved her dearly.

Catrina attended Roosevelt Elementary School, and Proviso East High School. In later years she received her license and certificate as a cook.

Catrina loved God and was raised in the church, Progressive Life Giving Word Cathedral under the pastorate of Pastor James B. Alford at a young age. The Sunday School Bus would pick her up every Sunday morning, rain or shine...She loved Progressive Church, she did parts in her cousin Leons' plays at the church and always did her Christmas and Easter speeches. Catrina learned about God at an early age and had a real love and understanding of him. As she grew into adulthood her faith also grew and she attended several churches including Destiny Worship Center, Pastor DeAndre Patterson, and New Tiberia MBC, Pastor Oscar Crear.. Catrina knew the word of God, she would quote scripture to me many times. She loved sending out encouraging scripture motivations each morning; she loved the relationship she had with the Lord, she prayed often.

Catrina's passion was cooking....She loved to cook and people loved her cooking as well, she had a real knack for it. She always cooked in big portions, I would always tell her "where am I going to put all this food"? She was a caterer, she also prepared food for a friends Food Truck. I always told her she could open a restaurant some day because she loved doing it...Her dad would look forward to his Chitterlings on his birthday every year.

Catrina birthed two handsome young men, Ramen Sires Griffin who preceded her in death, one death she never really recovered from, and Demond Doby who is the best hair dresser on the West Side of Chicago. She loved them both dearly and cherished them both. Ramen gave Catrina her first Grand Child, name Imani Griffin and made me a Great Grandma, she is the love of our lives. Catrina loved laughter, and wanted people to laugh, our last vacation together we had a ball, she was the center of attention with all her laughter, everyone loved being with her and around her, she made people feel good. We all loved us some Catrina. Catrina was good with kids, they all were drawn to her, Rachael's kids just loved her and Catrina loved them, she took care of them and I know they are missing her now. But her most favorite thing to do was watch Movies...I have a whole list she gave me to watch..we would text each other if this movie was good or bad; should I not waste my time watching this one or that one. Catrina loved the quiet life, a very easy going person, wanted to move out of the city to a more quiet neighborhood, and she was in the process of doing that. She was one beautiful daughter with a beautiful soul, we will miss you, but know we will see you again...

Catrina contacted the Covid 19 Virus and entered her Sunset on June 9, 2021...I implore each of you who are reading this to please go get VACCINATED.

Catrina leaves to mourn: Her mother and father James and Jean Weathers, her Son Ramen Sires Griffin (who preceded her in death), Demond Doby, Granddaughter Imani Griffin, her sisters Anita Faye Hunt, Bobbie Hunt aka Pumpkin (who preceded her in death), Cynthia Weber; Aunts: Catherine Hunt Lake, Patricia Hunt Wilkerson, Mamie Gaines, Sandra Mobley; Uncles Michael Hunt and Karl Mobley Sr. A special cousin/sister Rachael Hunt and many other nieces, nephews, cousins and friends.

# *Tribute To My Niece Catrina*

Written By Mamie Gaines

*Well she fought a good fight, she was determined to live, but when she didn't have nothing left to give, she looked up and surrendered to God above and closed the door to all she loved.*

*Now we have to live with the memories she left here, and memories we have plenty, so do not fear. She won't be forgotten for she made us laugh, and was kind to us all. So we surely were shocked when we got that call, Catrina didn't make it Y'all!!!*

*I met her around the age of 6 or 7 cutest thing you could ever see, for some reason she took a liking to me. So as time went on and she grew up she started to call me Tee Tee our relationship was great, it remained good; she would count on me as she knew she could.*

*We loved one another, we enjoyed one another, and from time to time she would "drop a dime" you know, just call and talk on the phone. Those were the times when feeling all alone. Well she was a sweetheart to many of us, so think on the good times clearly you must.... Catrina has left us to take her rest, but in her presence here many were blessed.*

*Relatives and friends don't be so mad, and try not to be oh so sad, for one day we all will have to leave here too, and we will also have memories of you. Rejoice if you can, she is free from her pain, never to have to have it again.*

*I will always love you, as long as I have breath, and one day me too will have to meet that enemy called death.*

*Hope to see you Catrina on the other side, where nothing but Gods' blessings will abide.*

## *Tribute To Our Daughter*

Catrina whatever are we going to do now?

God in his infamous wisdom saw fit to call you home.

I know it's nothing you ever imaged to be so beautiful and awesome...

I know all our relatives are welcoming you home.

But Still Catrina whatever are we going to do with you no longer here?

God is telling us we will have to be ever so strong, and remember the wonderful years we all had together. The holidays, the picnics, the long conversations on the phone, the arguing as well (lol)...Knowing but life is only a vapor where we are here today and gone the next. Catrina you bought nothing but joy in your dad and my life for 47 years, I celebrated you on your birthdays, important events, the birth of your sons; but this is a hard celebration to accept, however, I know being absent from the body is being present with the Lord so let the celebration begin my sweet daughter...You bought nothing but Joy into our lives and we will always love you to the moon and back... Rest on sweet daughter see you in the hereafter.

**Love Mom & Dad**

*"If You Could See Me Now"*

*If you could see me now,  
I'm walking streets of gold,  
If you could see me now,  
I'm standing tall and whole,  
If you could see me now  
you would know I've seen his face.*

*If you could see me now,  
All Pain has been erased  
If you could see me now,  
You wouldn't ever want me to  
Leave this perfect place.  
If only you could see me now.*
