

Change of Address

Dear Family and Friends,

Please be advised that I have moved. I received a call the other day from God, and he informed me that my new home was complete.

I know that my mansion needed some finishing touches and that Jesus Christ had to inspect it and give the final approval.

In the final moments on Friday, February 5, 2021, He let me know that my mansion was complete and that I had to move in, so He told me to go ahead and change my address. My new home is finished with a sight to behold. It is located on an exclusive estate behind a beautiful pearly white gate. Of course, the streets are paved with gold and every day is Sunday, just as you have been told. Trees of fruit grace my garden here and I can walk and talk with my Master with not a worry or care.

There's peace here, joy, happiness and no pain or heartache, no strife or discontent, only sweet serenity. I can dine at the Master's beautiful table and listen to a Heavenly Choir and best of all my Heavenly Father is here in all His glory, oh yes, I have my own designer here who has fitted me with my own white robe and my very own wings.

I could go on and on about my new home, but instead, I am going to pray that you can get to move yourself one day...but before I go though, let me give you my new address:
