*Mom, I love you*

*From your crown to your root  
These words may never*

*measure up to the time we spent,  
but*

*My love for you is endless  
My light came from you*

*I'll use that to navigate this world  
I got my strength from you*

*I'll use that to carry me through  
A smile ever so genuine*

*Your laugh was so infectious  
I'm gonna miss that*

*Because of you I'm able to live in  
my truth*

*Your love will radiate through me, I  
promise*

*Forever in my heart and Always  
with me*

*Get your Rest, mommy!*

*Love, Mariah Janna*
