

To a Loving Grandma...

Although our words are different now
Or is that just how it seems?
For I see you when I close my eyes
Because you are always in my dreams

I know you are up in Heaven
And looking down on me
And when I look up at the stars
I know that is where you will be

Even though I miss you
You are not too far away
Because my heart is full of memories
And I treasure them every day

Our time on Earth was special
But it is only the very start
So please keep watching over me
While we are not too far apart

Someday the time will come
When I no longer feel this pain
That is the day that Heaven calls
And we will meet again.
