

His Journey's Just Begun

By Ellen Brenneman

Don't think of him as gone away, his journey's just begun,
life holds so many facets this earth is only one.

Just think of him as resting from the sorrows and the tears
in a place of warmth and comfort where there are no days and years.
And think of him as living in the hearts of those he touched...
for nothing loved is ever lost, and he was loved so much.
