

I'm Well With God

*Please don't say that I gave up just say that I gave in
Don't say I lost the battle, for it was God's war to lose or win.
Please don't say how good I was but that I did my best.*

*Just say I tried to do what's right,
to give the most I could, not less.*

*Please don't give me wings or halos, that's for God to do.
I want no more than I deserve, no extras, just my due.*

*Please don't give flowers or talk in harsh tones
Don't be concerned about me now*

I'm well with God, I have made it my home.

Don't talk about what could have been, it's over and done

Just see to all my family needs, the battle has been won.

When you draw a picture of me don't draw me as a saint

I've done some good, I've done some wrong

So use all of your paint.

Not just the bright and light tones, use some gray and dark

*In fact, don't put me down on canvas
just paint me in your heart.*

*Don't just remember all the good times
but remember all the bad.*

*For life is full of many things, some happy and some sad
But if you must do something then I have one last request;*

*Forgive me for the wrongs I've done
and with the love that's left,*

*Thank God for my soul's resting and all who loved me
And praise God who loves me the best.*
