The Measure Of A Man

Not - How did he die? But - How did he live?

Not - What did he gain? But - What did he give?

These are the things that measure the worth of a man as a man, regardless of birth.

Not - What was his station? But - had he a heart?

And - How did he play his God-given part?

Was he ever ready with a word of good cheer?

To bring back a smile, to banish a tear?

Not - What was his church? Not - What was his creed?

But - Had he befriended those really in need?

Not - What did the sketch in the newspaper say?

But - How many were sorry when he passed away?

*These are the things that measure the worth
Of a man as a man, regardless of birth.*
