

## *Miss Me, But Let Me Go*

When I've come to the end of the road  
and the sun has set me free,  
I want no rites in a gloom-filled room  
why cry for a soul set free?  
Miss me a little, but not too long  
and not with your head bodied low.  
Remember the love that we once shared.  
Miss me, but let me go.  
For this is a journey that we all must take  
and each must go alone;  
It's a part of the Master's plan,  
A step on the road to home.  
When you are lonely and sick at heart  
go to the hills we know  
and bury your sorrow among the trees.  
Miss Me - But Let Me Go!
