God Saw You Getting Tired

God saw you getting tired and When a cure was not to be,
So, He put His loving arms around you and whispered,
"My child, come to me."

With tearful eyes, we watched you getting weak
and how hard you fought to stay,
But God heard your cry and A golden heart was laid to rest.
God broke our hearts to prove to us that he only takes the very best.
He saw you getting tired and wanted you to come rest.
So, until we meet again, take your Rest!
