IF TEARS COULD BUILD A STAIRWAY

If tears could build a stairway and memories were a lane,
we would walk right up to heaven, and bring you home again.

No farewells were spoken and no time to say goodbye,
you were gone before we knew it, and only God knows why.

Our hearts still ache in sadness, and secret tears still flow,
What it meant to lose you, no one will ever know.

But know we know you want us, to mourn for you no more,
to remember all the happy times, life still has in store.

Since you'll never be forgotten, we pledge to you today,
a hollowed place within our hearts, is where you'll always stay.
