

Healing Prayer

Jesus, let your presence manifest in this place. As we gather here to mourn our beloved, Denise, may you bring healing into our hearts. Be our Alpha and Omega in this funeral service. Let the things we share about our beloved Denise bring joy and healing in our hearts. We know it will be hard for anyone to fill the gap that has been left in our hearts. But we also know that in days, weeks, months and years to come, you will heal us and what we will be left with are the fond memories of the times we shared with Denise. We thank you for giving us a chance to spend time with Denise while she was on earth. In Jesus name, we pray, Amen.
