Poem

*My heart has been left broken,
since the day that you had to go,
And the memories that I treasure dearly
are in the tears that still flow.
You're in my thought every day and
that's how it will be,
For you may be up in heaven now but,
you'll always be with me
If only I could have the chance to
see your face one more time, or to
hear your voice one more final time
just like it was before,
The day that Heaven calls for me
will be a relief from all this pain,
I'll run to you with open arms
and we will meet again.*
