

Poem

Words cannot describe
the loss I feel, saying
farewell to you. But
heaven chose to give you
wings.

And now it's time you
flew. I wish that we could

have more time, that God had let you stay.
Forever would not be long enough, but I would
take one day.

I wish I had just one more chance, to see that
tender smile, to laugh with you again my dear,
just for a little while.

Gone too sone, but not forgotten, forever you
will remain my guiding light, my shining star, until
I see your face again.
