### *Poem*

*We miss our dear sweet  
loved one and it really  
shows,*

*She left us with lots of  
memories. but there is a lot  
we still don't know.*

*She was always there for us, always full of care.  
The stories that she told us, in our hearts will  
always be there.*

*We prayed she wouldn't suffer or cry out in pain.  
We lost our dear sweet loved one.  
But will always remain.*
