Remember him with a *smile today*

He was not one for tears,  
Reflect instead on **memories**  
Of all the *happy years*.

Recall to mind the way he spoke  
And all the things he said,

His *strength*, his **wit**, the way he walked  
*Remember* these instead.

The good advice he'd give us  
His eyes that shone with *laughter*,  
So much of him will never die  
But live on **ever after** .

As we loved you, so we miss you  
In our *memory* you are near,  
*Loved, Remembered* , longed for always  
Bringing many a silent tear.
